

Incentive Discount Program

*Heritage Christian Academy
530 Union Mill Road
Mount Laurel, N.J. 08054
(856) 234-1145*

- You can earn tuition for your children or
- You can reduce your monthly tuition bill

Here's how!

1. Be a "Good Neighbor" by giving a personal word of testimony regarding our school
2. Stop by the school office and fill out a prospective family card.
3. For each new commitment that you obtain from parents who enroll their child/children in our school, you will receive a Finder's Award.

Benefits to you!

1. You will receive a Finder's Award equal to one half year's tuition for one student.
2. You will have these monies applied to your second semester payments.
3. Finder's Award is limited to the first child from one family referred. You cannot receive free tuition or have HCA owe you money for more than one new student.
4. You win by helping a student (family) receive a Christ-centered education.

Rules:

1. List all families approached on prospective family cards. List all families in order to avoid disappointment.
2. Registration of prospective family cards *must* be completed PRIOR to the family enrolling. There can be no exception to this procedure.
3. The finder's award applies only to those families who have recruited a new student whose family has not previously contacted the school regarding enrollment.

(Note: It is important that you date all prospective family cards).
